INSTRUCTIONS

WHO MUST FILE. Every Nebraska business location that had \$50,000 or more in sales of tangible personal property subject to sales tax during the reporting period covered by this return, must file a Nebraska Waste Reduction and Recycling Fee Return, Form 94, on or before the due date.

Businesses With One Nebraska Retail Location.

The \$25 fee is due unless the worksheet is completed and the remaining taxable sales of tangible personal property are less than \$50,000.

Businesses With More Than One Nebraska Retail Location.

A separate return was sent to each location because your business was not licensed to file a combined sales tax return during the period covered by this return. The \$25 fee is due for EACH location, unless the worksheet is completed and the remaining taxable sales of tangible personal property for a location are less than \$50,000. You may send in one check with all of the returns for the total amount due or a separate check with each return.

Businesses With More Than One Nebraska Retail Location Filing a Combined Sales Tax Return.

The enclosed schedule lists all Nebraska retail locations that are a part of the combined filing with reported taxable sales of more than \$50,000. The \$25 fee is due for EACH location with taxable sales of tangible personal property of \$50,000 or more. Use the enclosed schedule to determine whether the taxable sales for a particular location are less than \$50,000.

Motor Vehicle and Motorboat Dealers. Dealers who sell motorboats, motor vehicles, and trailers are subject to this fee if their sales of these items and other sales of tangible personal property are \$50,000 or more.

WHEN AND WHERE TO FILE. This return is considered timely filed if postmarked on or before the due date stated on the face of the return. Mail to the Nebraska Department of Revenue, P.O. Box 94818, Lincoln, Nebraska 68509-4818.

If Form 94 is returned without payment and without the completed worksheet or a letter of explanation, you will be billed for the fee based on the number of locations printed on line 1, plus applicable penalty and interest.

PREIDENTIFIED RETURN. This return is to be used only by the retailer whose name is printed on it.

If you have sales of tangible personal property of \$50,000 or more at a location and you have not received a preidentified return for the tax period, request a duplicate from the department. Do not file returns which are for another period, or returns which have not been preidentified. If the business name, location, or mailing

address is not correct, mark through the incorrect information and plainly print the correct information.

WORKSHEET. If the number of business locations in Nebraska as printed on line 1, Form 94, is one, and this location had sales of other than tangible personal property included in its taxable sales, complete the worksheet at the bottom of Form 94 to determine if its taxable sales of tangible personal property were less than \$50,000. If less than \$50,000, no fee is due. Form 94 must be filed even if there is no fee due.

LINE 8. The following services are subject to sales tax; however, since they are not tangible personal property they can be deducted on the worksheet. Building cleaning and maintenance services; pest control services; security and detective services; motor vehicle washing and waxing; motor vehicle towing; motor vehicle painting; computer software training; animal specialty services; recreational vehicle (RV) park services; repair, maintenance, installation or application labor; and certain construction services.

SCHEDULE. If the number of business locations in Nebraska as printed on line 1, Form 94, is greater than one, a separate schedule is enclosed with your Form 94. This schedule is only to be used by businesses that have been approved to file combined sales tax returns. The schedule lists (by Nebraska identification number) only those Nebraska retail locations that reported \$50,000 or more in taxable sales. To determine if any of the locations had taxable sales of tangible personal property of less than \$50,000, you must complete the information on the schedule for that location. You do not owe the \$25 fee for any location that has less than \$50,000 of taxable sales as calculated in Column 9 of the schedule.

It is not necessary to complete the information for a location if you know that its taxable sales of tangible personal property are \$50,000 or more.

PENALTY AND INTEREST. If the return is not filed by the prescribed due date, or when the fee due is not paid by the due date, a five dollar (\$5) penalty will be assessed. Interest on the unpaid balance will be assessed at the rate printed on line 3 from the due date until payment is received.

SIGNATURES. This return must be signed by the taxpayer, partner, or corporate officer. If the taxpayer authorizes another person to sign this return, there must be a power of attorney on file with the department or attached to this return.

Any person who is paid for preparing a taxpayer's return must also sign the return as preparer.
